Nikki,  
 First thanks for the shout out yesterday... everyone has worked hard and could not have done the whole project with the limited time provided without everyone pitching in. So thanks to you all Nikki, Sally, Mara, Rachel, Clayton and Cindy!

Here is today's update for National Monument Review and status on final documents.

Two more monuments have been vetted and approved through Leadership! Three to go:

Gold Butte  
 Mojave Trails  
 Rio Grande del Norte

Both Craters of the Moon & Grand Canyon Parashant have been reviewed and approved by BLM/NPS leadership and forward to the DOI.

All three shared monuments with the USFS: Bears Ears, Berryessa Snow Mountain, and Sand to Snow have been submitted to the USFS for their additional comments. USFS has completed review of Bears Ears and included their documents in google drive.

All 18 National Monuments either managed or co managed by the BLM have been submitted for leadership review (6/7/2016).

National Monuments receiving leadership approval and copies sent to DOI. (These final documents have been updated in the google docs folder using the same nomenclature).

Basin and Range  
 Bears Ears  
 Berryessa Snow Mountain  
 Canyon of the Ancients  
 Carrizo Plain  
 Cascade Siskiyou

Craters of the Moon  
Grand Canyon Parashant  
Grand Staircase Escalante  
Ironwood Forest  
Organ Mountains Desert Peaks  
Sand to Snow  
Sonoran Desert  
Upper Missouri River Breaks  
Vermilion Cliffs

Getting close - have a great weekend.
